Dear Andrew

REF: PROVISION OF INSULATION FOR HOUSING AT MARY POTTER COURTS

On behalf of the Sisters of the Little Company of Mary, I wish to express our gratitude to you and your organisation for your generous assistance to improve the level of insulation in our villas at Mary Potter Courts.

The Mission of the Little Company of Mary is to promote dignity of the poor, the aged, the sick and the dying, the values of our Founder Venerable Mary Potter. In Christchurch this Ministry includes the provision of affordable, subsidised rental accommodation for low income, independent senior citizens. The improved insulation in our villas, installed with your support, will certainly improve residents' comfort and reduce their worries over winter sickness and power bills.

We are pleased to report that we have had very positive feedback from our residents who are finding their units warmer and cosier already.

On behalf of the Sisters of the Little Company of Mary, thank you for your support for our residents in the spirit of Venerable Mary Potter.

Yours sincerely

Sr Jennifer Barrow.
