

28 February 2018

Mr Michael Begg  
Community Energy Action Trust  
299 Tuam Street  
Christchurch 8011

Dear Michael,

I wish to thank you on behalf of the St Albans Uniting Parish, for your presentation about the CEA at our Community Comment on Friday, 2 February 2018.

Community Comment is a parish activity in which we seek to bring to people in our community, presentations of topical interest and importance they might not otherwise enjoy.

Many people are finding it increasingly hard to manage their use of electricity in their homes and it is good to know the Community Energy Action Trust is around to give help with advice and financial support, in certain circumstances. The curtain bank is another fine example of community service.

Thank you for taking the time to come and speak to us about your life.

We wish you well for the future.

Yours faithfully,

(Lindsay Evans)  
Chair, Parish Council
